

With households in Dublin, the Rest of Leinster and Munster a little more positive about the outlook for house prices, the Housing Pulse ticked up to 64.8 in October 2020. This was 2.0 higher than last month's reading but down 8.5 on a year ago. This month's survey also finds that one in ten is planning on buying or building a home over the coming year, and that three in four think it is cheaper to buy than rent in their area when the typical monthly mortgage repayment and the typical monthly rent for similar properties are compared.
